**Sponsorships:**

The Target store in Streetsboro has donated a \$50 gift card which will be used to purchase plastic frames for some of the posters.

**Events/Activities:**

**Black Stocking Baseball Game (8/16/2008).**

Mr. Badger reported that 150 attended the Black Stockings game v. Portage Bicentennial Locals. This was in addition to the county employees at their picnic. There were two articles in the Record Courier, including photographs of the game. Five of the players were young men from the Wooden Bat League. He would like to have the committee get them something since they donated their time when they were also in the midst of their own tournaments. He had checked with the Cooperstown on-line site, for vintage hats and there was one from Cincinnati which was one of the first professional teams; they were \$25 each. Ten people altogether played, but he suggested those on the committee would not have to get one. Mr. Cheplowitz said he would get him information on getting the Bicentennial logo so that it could be printed on hats.

**Time Capsule (12/13/2008):** Ms. Riemenschneider reported that she has sent a letter to 8th grade history teachers and heard back from one in Aurora and one in Rootstown who are excited about the project. She will also check back with Stanton school in Kent. Letters have gone out to sponsors in the county asking them to write letters to their predecessor in 100 years. She would like to plan a ceremony and the date has been set for Saturday, Dec. 13. Mr. Cheplowitz suggested evening. Giant Eagle has said they wanted to contribute, so they may be asked to donate to the catering. He also recommended she investigate the sealing of the Time Capsule to make sure it is resistant to age. There was discussion about chemicals used to preserve items. Ms. Hubeny suggested the Road Show posters be put in the Time Capsule. Ms. Badger will check on re-printing them in a much smaller size.

**Historical Play:**

Ms. Badger distributed the tentative list of dates and eleven schools where the play will be performed. Mr. Cheplowitz noted that \$11,000 was donated towards the production of the play. Mr. Enders moved and Ms. Carter seconded that he be authorized to sign the contract to the playwright for the production and increase the original \$6500 amount to \$7500. Motion carried. A dress rehearsal may be performed for the County Commissioners. There was discussion among the committee of

having a production for the public, possibly with a small admission fee, and Mr. Westover suggested the Kent Stage. But the consensus was that it would be very time-consuming to make all the arrangements for a public event, especially this late in the Bicentennial. Also, it was written for elementary students. Mr. Cheplowitz suggested that the committee members might come to the dress rehearsal.

**Legacy/Literary Project:**

Ms. Alexander said she took an intern and a computer to nursing homes and transcribed stories from the residents. She now has a grant through her position at the Ohio State Extension office, to do these recordings.

**Road Show:**

Mr. Westover reported the Road Show has been very popular and is out every weekend. Mr. Westover moved and Ms. Wilson seconded the purchase of a new 20 x 20 poly tarp to cover the Road Show display, as the last tarp did not withstand the weather and highway ride. Motion carried. Mr. Masters asked if the posters would go back to the communities after the Bicentennial. It was thought that possibly smaller photos of each sign could be made, for the communities that were interested, as the posters may get damaged when removed from the display. Ms. Craycroft invited the Road Show to the park district Oct. 4 event.

**Bicentennial Endorsed Events:**

Ms. Craycroft reported that the Bicentennial Heritage Tours were very popular with the public. She passed out copies of the newspaper supplement about the tours, as well as a cd made by volunteers about the park district. There will be a tour at the Historical Society on Oct. 4 from 12 – 6 pm.

**Other Business**

Mr. Cheplowitz said we are printing 100 of the Birthday Party posters as previously approved, and the committee needs to decide who should receive them. There could be three categories: 1. anyone who gave money as a sponsor, over a certain amount. 2. “Friends of the Bicentennial”, such as the County Commissioners, and those such as Guido’s that gave a lot of assistance during the Birthday Party event downtown; also the players on the Black Stockings team. 3. Committee members. Mr. Lehman suggested that those that came to over half the meetings could be given one. Ms. Carter suggested all the communities receive one. This will be discussed further.
