November 15, 2010

To any person wanting to register as a household sewage treatment system installer in Portage County:

To register, please provide the following:

1. **\$150.00 check payable to the Portage County Health Department.**
2. **Certificate of Insurance** in the amount of \$300,000/\$300,000 Bodily Injury and \$100,000 Property Damage with Portage County Health Department, 449 South Meridian Street, Ravenna, Ohio 44266, as the certificate holder. Certificates of Insurance must show an expiration date; those marked "Continuous" will not be accepted.
3. A completed application for registration (attached).

The above information is based on no changes in Ohio State law. The State may just extend the current law and everything will stay the same. However, if any new law for household sewage in the State of Ohio is implemented, the new law may change the registration process. We will send additional information if this does take place.

Should you have any questions, please do not hesitate to contact this office between 8:00 and 10:00 AM most weekdays and ask to talk to an inspector in the sewage program.

Respectfully,

Stanley Carlisle, M.P.H., R.S.
